## Opportunity for Research Trainees at NABI, Mohali

Opportunity for research trainees are available at NABI, Mohali for 4 to 6 months starting from June/July to November/December, 2011. The area of research training would be related to genomics, functional genomics, bioinformatics, breeding, plant genetic transformation, nutrition, and food sciences. Each trainee has to involve in research field works for growing and testing research materials.

- i) Eligibility** : Pursuing M.Sc./M.Tech./B.Tech.
- ii) Duration of training** : 4 to 6 months (June-July to November-December, 2011)
- iii) Fees** : No
- iv) Application process** : Through email ([trainee@nabi.res.in](mailto:trainee@nabi.res.in)) or post
- v) Selection procedure** : Through screening of bio-data by NABI Screening Committee
- vi) Documents required** : 1) Application forwarded by Head of Department.  
2) Attested copies of mark sheets/certificates/experiences/birth certificate.  
3) Expression of interests (500 words).

### Note:

- i)** The request for short term training must come from the Head of Department and must provide the academic resumes of the recommended student(s) as well as the period of the proposed project work.
- ii)** Request will be considered on the basis of requirements of Scientists/Research Scholars.
- iii)** The minimal eligibility criterion for consideration of the requests is first division or an equivalent grade (or at least 60% of aggregate scores) in graduation or equivalent exam and at least 60% marks in first year of M.Sc./M.Tech.
- iv)** The selected candidate will receive official email ([trainee@nabi.res.in](mailto:trainee@nabi.res.in)) regarding acceptance and duration of the training and be uploaded on NABI's URL.
- v)** Opportunities are also available for short-term/summer trainees in the institute through sponsored programs from government agencies such as the KVPY, JNCASR, INSA/IAS/NASI.
- vi) Last date:** May 20, 2011
