

NATIONAL AGRI-FOOD BIOTECHNOLOGY INSTITUTE
(Deptt. of Biotechnology, Govt. of India)
C-127, Industrial Area, Phase VIII, S.A.S. Nagar, Mohali-160 071. (Pb)
Website: www.nabi.res.in
ADVT. No: 2014-Researcher (5)

Junior Research Fellow (JRF)

National Agri-Food Biotechnology Institute (NABI), Mohali, is an autonomous R&D Institute under Department of Biotechnology, Government of India. The institute carries out cutting edge research at the interface of agricultural biotechnology, bioinformatics, biostatistics, food processing, postharvest technology, and nutritional sciences. NABI has state of art facilities in the area of genomics (ABI 3730xl, RT-PCR, DNA analyzer, Affymetrix Microarray system, bioanalyzer, liquid handling system, automated DNA extraction system, LCM, Mass-Array (sequenom), etc), proteomics (MALDI-TOF-TOF, Q-TOF, nano-LC, LA-ICP-MS, HPLC, GCMS-MS, HP-TLC, UPLC, etc.), high performance computing facility, and food science (NIR, FTIR, etc.). To accelerate high quality research, applications are invited from motivated candidates with high level of creativity, innovative research ideas and communication skills and drive for carrying out research aiming at the following areas:

Junior Research Fellow

Agri-Biotechnology:

- 1) Gene discovery for processing and nutritional quality in wheat
- 2) Accelerated breeding for improvement of processing and nutritional quality in wheat

Food Biotechnology:

- 1) Development of carbohydrate based edible coating and packaging material to enhance food shelf life
- 2) Postharvest biotechnology

Bioinformatics:

Development of advanced computational tools for crop genomics

Project Assistant (level-II)

- 1) Developmental biology for crop improvement

The **JRF should mention their respective research interest of choice by mentioning the Project No at the given space in application form.** The JRFs will be hired as per the emoluments' guidelines and service conditions notified by DST (A.20020/11/97-IFD dated 31st March, 2010) varying from Rs12,000/- to Rs18,000/- per month plus HRA as per their own fellowship support or a fellowship from NABI. The Project Assistant will be hired as per DST guidelines No.C-300011/1/2007-IFD, dated 21st July 2008.

NABI may or may not select candidates against one or more of the above areas of research, depending upon the suitability of the candidate to carry out high quality research. **Applications in the prescribed format (that can be downloaded from NABI website, www.nabi.res.in) by post to Administrative Officer, National Agri-Food Biotechnology Institute, C-127, Industrial Area, Phase VIII, S.A.S Nagar-160071, Punjab so as to reach latest by 22th July, 2014 before 6.00 PM. Applications received after the deadline will not be entertained.** Suitable candidates will be shortlisted as per DST guidelines and based on their area of qualification, training, research experience and relevance of skills to the institute. The shortlisted candidates will be called for an interview in front of a selection committee.
